

abano rehabilitation

Abano Rehabilitation is part of Abano Healthcare Group Limited, New Zealand's leading public listed specialist healthcare investor and operator.

Abano Rehabilitation provides a wide range of rehabilitation services through our three brands (see below) across offices throughout the North Island.

Assessment Services

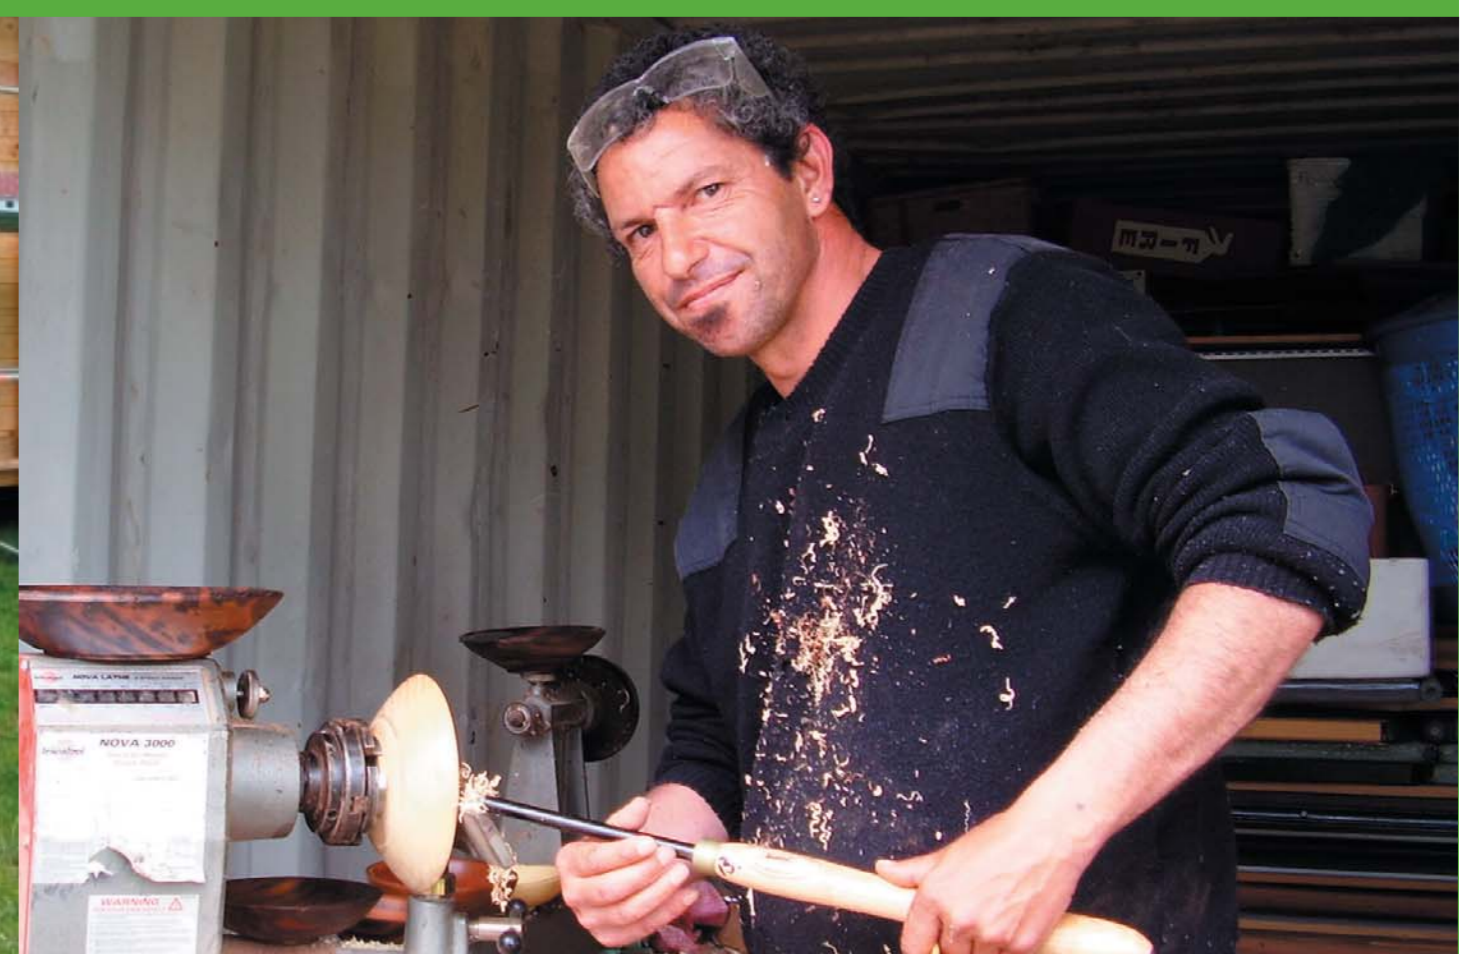

Health Partners was established in 1996 as a specialist provider of assessment and case management services for a range of rehabilitation needs. Health Partners provide objective and timely assessment reports to inform the development of rehabilitation intervention, monitor progress and demonstrate rehabilitation outcome.

Community Based Rehabilitation

With over 15 years experience, Burtons provides community based rehabilitation programs with specific expertise in traumatic brain injury, vocational rehabilitation and chronic pain. Interventions that Burtons deliver focus on the reduction of the impact of an injury on an individual's independence and function to maximize productivity.

Residential Rehabilitation

Ranworth Healthcare has been operating since the mid 1990's and is New Zealand's largest residential rehabilitation provider. Ranworth specialises in delivering residential services to individuals with traumatic brain injury and other complex injuries. Interventions that Ranworth deliver focus on helping clients increase their independence, improve their quality of life and facilitating community reintegration where possible.
