- Neuropsychologists
- Registered Nurses
- Rehabilitation Coach Assistants
- Administration Staff

Working as a Clinician with Abano Rehabilitation

Abano Rehabilitation is an industry leader in the busy and growing Neurological Rehabilitation sector. As one New Zealand's largest private provider of ACC-funded Head Injury Rehabilitation services we could have the perfect role for you!

We offer competitive remuneration, including a bonus scheme for clinicians in our community service! With us you will experience excellent professional development, close professional support and interesting, varied work.

We have positions both for experienced staff and for new and upcoming graduates! Abano Rehabilitation offers a great career path that will take you from the supported roles available in our Residential service through to the autonomous practice of our Community service. Contact us today.

Contact Us

Our Human Resources Officer is always happy to hear from new applicants.

We are seeking candidates who can commit to a long-term role, who are keen to develop into industry leaders in our specialist area.

We keep a database of candidates, and we will be more than happy to contact you to discuss future opportunities with Abano Rehabilitation as they arise.
