RESIDENTIAL SERVICES

Our services:

We provide residential rehabilitation services that are delivered by experienced staff, 24 hours a day, 7 days a week.

We specialise in services for clients with Brain Injuries who may also have:

- Complex behavioral issues
- Co-morbidities including mental health, Spinal Cord Injuries and/ or drug and alcohol problems

Ranworth clients live in small, family-like facilities in the community. Clients are supported by interdisciplinary teams of staff who assist clients to:

- Become as independent as possible
- Participate in community activities
- Lead rewarding, active lives
- Maximise their potential

We focus on the provision of:

- Community based services that facilitate and support independent living
- Activity programmes for residential and community clients to foster community engagement
- Training of behaviours and skills that facilitate community integration
- Seamless transition from residential to community living
- Training for independence services for clients in the community
- Respite care

We believe in:

- Providing client focused services that respect each individual's rights, values and beliefs
- Developing client-centred rehabilitation plans with clients and their family/ whanau to maximize independence
- Working in partnership with individuals, their families and funders
- Applying the articles of the Health and Disability Code of Rights and Te Tiriti O Waitangi
- Seeking client and family/ whanau feedback to gauge the effectiveness and quality of our service delivery

Our team includes:

- Occupational therapists
- Rehabilitation Coach Assistants
- Registered Nurses
- Physiotherapists
- Clinical psychologists
- Neuropsychologists
- Speech Language Therapists
- Neuropsychiatrists
- Dieticians
- Drug and alcohol counselors
